

Trisquel GNU Linux as an Open Source

The Mossad put backdoors in all this shit anyways use only Alien Sigil Characters not the One-Time Pad No 8 Base Set Please ...

Stallman*org GNU*org FSF*org Richard Stallman , Linus Torvalds , Jim Hall , Tim Paterson ...
Download Trisquel off of Trisquel*info as 32 bit on the shitty IBM Lenovo T6160/400s/x200/x201
Use another mirror such as Berkley if needed, some are Garbage ... Repo is out of the BOX ...
Run on RAM Disk Only, Mitigate even more by unplugging the USB Stick, Always a logger flaw ...
Download Palemoon as Debian 9 32 bit i686 off of Palemoon*org , install ABPrime , move on ...
Abrowser lets you disable JS + Everything... Kill compton ssh systemd klogd syslogd updaters ...
